Do you suffer from Corneal Ectasia?

Dr. Michael Raizman of Ophthalmic Consultants of Boston in Waltham, MA is conducting a clinical research trial in patients with Corneal Ectasia after refractive surgery.

You may qualify to participate if you:

- are 12 years of age or older
- have been diagnosed with Corneal Ectasia
- are able to come in for at least 8 office visits over a 12 month period

Please call Ophthalmic Consultants of Boston at (617) 314-2703 and ask to speak with Allison Coombs for more information and to schedule an appointment.
