

Michael B. Raizman, M.D.
Ophthalmic Consultants of Boston, Inc.
50 Staniford Street
Suite 600
Boston, MA 02114-2517
617-367-4800

Education:

1980 BA University of Michigan, Ann Arbor
1982 MD University of Michigan Medical School, Ann Arbor

Postdoctoral Training:

Internship and Residencies:

1982 Clerkship in Neurology, National Hospital for Nervous Diseases, Queen Square, London, England
1982-1983 Intern, Tucson Hospitals Medical Education Program, Tucson, Arizona
1983-1985 Resident, Ophthalmology, Kellogg Eye Center, Department of Ophthalmology, University of Michigan Medical Center, Ann Arbor
1985-1986 Chief Resident, Ophthalmology, Kellogg Eye Center, Department of Ophthalmology, University of Michigan Medical Center, Ann Arbor

Research Fellowship:

1986-1988 Research Fellow (Immunology), Hilles Immunology Laboratory, Massachusetts Eye and Ear Infirmary, Boston

Clinical Fellowships:

1986-1987 Clinical Fellow, Immunology and Uveitis Service, Massachusetts Eye and Ear Infirmary, Boston
1987-1988 Clinical Fellow, Cornea Service, Massachusetts Eye and Ear Infirmary, Boston

Licensure and Certification:

1982 State of Michigan Medical Licensure, #4301046855
1986 Commonwealth of Massachusetts Medical Licensure, #55622
1987 American Board of Ophthalmology, Diplomate

Academic Appointments

- 1986-1988 Clinical Fellow in Ophthalmology, Harvard Medical School, Boston
- 1988-1991 Instructor in Ophthalmology, Harvard Medical School, Boston
- 1991 Assistant Professor of Ophthalmology, Harvard Medical School, Boston
- 1991-1997 Assistant Professor of Ophthalmology, Tufts University School of Medicine, Boston
- 1997- Associate Professor of Ophthalmology, Tufts University School of Medicine, Boston

Hospital Appointments:

- 1987- Assistant in Ophthalmology, Massachusetts Eye and Ear Infirmary, Boston
- 1988-1991 Research Fellow, Department of Rheumatology and Immunology, Brigham and Women's Hospital, Boston
- 1991- Ophthalmologist, New England Medical Center, Boston
- 1991- Staff Physician, Veterans Administration Medical Center, Boston
- 1992- Staff Physician, Newton-Wellesley Hospital, Newton
- 1994-1998 Staff Physician, Emerson Hospital, Concord
- 1994-1998 Staff Physician, Leominster Hospital, Leominster
- 1996-1998 Staff Physician, Noble Hospital, Westfield
- 1996-1998 Staff Physician, St. Vincent Hospital, Worcester
- 1996-1998 Staff Physician, Lawrence Memorial Hospital, Medford
- 2003-4 Clinical Associate, Surgery Service, Massachusetts General Hospital, Boston, MA

Awards and Honors:

- 1976 University of Michigan Regents Scholar
- 1979 Phi Beta Kappa
- 1986-1987 Heed Foundation Fellow
- 1987-1988 Heed Foundation/Knapp Fellow
- 1994 Honor Award, American Academy of Ophthalmology

Committee Assignments:

- 1980-1982 & University of Michigan Medical School Admissions Committee
- 1983-1986
- 1989-1991 Residency Steering Committee, Massachusetts Eye and Ear Infirmary
- 1989-1991 Immunology Journal Club, Massachusetts Eye and Ear Infirmary
- 1989-1991 Medical Records Committee, Massachusetts Eye and Ear Infirmary
- 1990-1991 Senior Fellow, Oliver Wendell Holmes Society, Harvard Medical School
- 1990- Ad Hoc Reviewer for New England Journal of Medicine, American Journal of Ophthalmology, Investigative Ophthalmology and Visual Science, Cornea, Ophthalmology, Lasers in Surgery and Medicine, Journal of Allergy and Clinical Immunology, Journal of Refractive Surgery, Ophthalmic Surgery and Lasers
- 1991-1998 Director of Research, Department of Ophthalmology, Tufts University School of Medicine

- 1991- Director, Cornea and Anterior Segment Service, Department of Ophthalmology, Tufts University School of Medicine.
- 1993- Associate Examiner, American Board of Ophthalmology
- 1994- Editorial Board, Archives of Ophthalmology

Professional Societies:

- 1984- American Academy of Ophthalmology (Fellow, 1988)
- 1986- Association for Research in Vision and Ophthalmology
- 1988- Massachusetts Medical Society
- 1988- Massachusetts Society of Eye Physicians and Surgeons
- 1988- Ocular Microbiology and Immunology Group
- 1988- Society of Heed Fellows
- 1991- New England Ophthalmological Society
- 1992- American Society of Cataract and Refractive Surgery
- 1993- American Uveitis Society
- 1993- Pan American Association of Ophthalmology

Research Support:

- 1986-1988 National Research Service Award, National Eye Institute, National Institutes of Health, "Immunology and Genetics of Herpes Simplex Keratitis," \$40,000, principal investigator
- 1987-1988 National Society to Prevent Blindness Grant, "The Cellular Basis of the Immune Response to Herpes Simplex Virus Keratitis," \$10,000, principal investigator
- 1988-1993 Physician Scientist Award, National Eye Institute, National Institutes of Health, "Mast Cell Membrane Glycolipid Expression and Function," \$332,000, principal investigator
- 1989-1991 Institutional Training Grant, Massachusetts Eye and Ear Infirmary, National Eye Institute, National Institutes of Health, Associate Director
- 1992-1994 Small Business Innovation Research Program, Public Health Service, "Solid State Laser Source for Corneal Ablation, Co-Investigator

Invited Lectures:

Therapeutic alternatives to corticosteroids for ocular inflammatory disease, New England Ophthalmological Society Meeting, Boston, MA, 9-87

Major Histocompatibility complex, Massachusetts Eye and Ear Infirmary Lecture Series, Boston, MA, 1-88

Anterior uveitis, Boston Ophthalmology Residents' Lecture Series, Boston, MA, 2-88

Conjunctival antigen challenge, Symposium on antigen challenge, Ft. Lauderdale, FL, 5-88

Ocular manifestations of rheumatological disease, Brigham and Women's Hospital, Department of Rheumatology and Immunology Grand Rounds, Boston, MA, 10-88

Ocular Immunology, University of Michigan Medical School, Department of Ophthalmology, Ann Arbor, MI, 12-88, Visiting Professor

Pediatric uveitis, Boston University Tufts Medical School Resident Lecture Series, Boston, MA, 1-89

Peripheral corneal lesions, Harvard Medical School Continuing Medical Education Course: Cornea and External Diseases, Boston, MA, 3-89

Ocular manifestations of rheumatological disease, University of Massachusetts Medical Center, Department of Rheumatology, Worcester, MA, 3-89

Uveitis, Sally Letson Symposium, Ottawa, Ontario, Canada, 9-89

Corneal infiltrates, New England Ophthalmological Society Meeting, Boston, MA, 11-89

Mast cell glycosphingolipids, Eye Research Institute of the Retina Foundation Conference, Boston, MA, 1-90

Ocular immunology, Royal Hawaiian Eye Meeting, Maui, HA, 1-90

Ocular allergy, American Academy of Ophthalmology Regional Update Course, Cambridge, MA, 6-90

Ocular allergy, Boston University/Tufts Medical School Resident Lecture Series, Boston, MA, 10-90

Immunology of the eye, Harvard Medical School Continuing Medical Education Course, Boston, MA, 10-90

Autoimmunity and the eye, American Academy of Ophthalmology Annual Meeting Instruction Course, Atlanta, GA, 11-90

The eye and diseases of the skin, American Academy of Ophthalmology Annual Meeting Instruction Course, Atlanta, GA, 11-90

Mast cell glycosphingolipids, Massachusetts Eye and Ear Infirmary Research Lecture Series, Boston, MA, 11-90

Ocular allergy, Massachusetts Eye and Ear Infirmary, Cornea Service Conference, Boston, MA, 12-90

Management of peripheral ulcerative keratitis, Stanford University Medical Center, Stanford, CA, 2-91

Mast cell heterogeneity, Proctor Foundation, University of California San Francisco, San Francisco, CA, 2-91

Ocular allergy, Eye Foundation, University of Missouri, Kansas City, MO, 2-91

Practical approach to uveitis, Beth Israel Hospital, Department of Ophthalmology, Grand Rounds, Boston, MA, 3-91

Uveitis, Harvard Medical School, Department of Ophthalmology, Board Review Course, Boston, MA, 3-91

Surgical and immunosuppressive therapy of peripheral ulcerative keratitis, Department of Ophthalmology, St. Vincent's Hospital, New York, NY, 5-91

Ocular allergy and immunology of the cornea, Lancaster Course, Colby College, Waterville, ME, 7-91

Ocular cicatricial pemphigoid, New England Ophthalmological Society Meeting, Boston, MA, 9-91

Practical management of corneal and external disease, American Academy of Ophthalmology Annual Meeting, Instruction Course, Anaheim, CA, 10-91

Excimer laser phototherapeutic keratectomy, Tufts University School of Medicine, Continuing Medical Education Course, Cambridge, MA, 11-91

Ocular complications of systemic drugs, Narcolepsy Foundation Meeting, Cambridge, MA, 11-91

Diagnosis and management of collagen vascular disease of the cornea and sclera, Brigham and Women's Hospital, Division of Ophthalmology Monthly Conference, Boston, MA, 1-92

Uveitis, Peripheral ulcerative keratitis, Intraocular lenses, High risk keratoplasty, Tufts University School of Medicine, Continuing Medical Education Course, Kauai, HI, 1-92

Ocular allergy, Massachusetts General Hospital, Allergy Grand Rounds, Boston, MA, 1-92

Toxoplasma retinitis, East Coast Uveitis Society, University of Maryland, Baltimore, MD, 1-92

Practical approach to uveitis, Greater Boston Ophthalmology Residents' Lecture Series, Boston, MA, 2-92

Pediatric uveitis, Greater Boston Ophthalmology Residents' Lecture Series, Boston, MA, 3-92

Immunology and uveitis, Harvard Medical School, Department of Ophthalmology, Board Review Course, Boston, MA, 3-92

Management of uveitis, University of Massachusetts Medical Center, Department of Ophthalmology, Grand Rounds, Worcester, MA, 3-92

Ocular allergy, Ocular Allergy Roundtable, Vail, CO, 3-92

Intraocular lens implantation in patients with uveitis, American Society of Contemporary Ophthalmology Annual Meeting and Scientific Assembly, Chicago, IL, 4-92

Excimer photorefractive keratectomy, Refractive Surgery Course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 5-92

Anterior segment manifestations of AIDS, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 6-92

Differential diagnosis and treatment of the acute red eye, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 6-92.

Excimer laser, corneal transplantation, Phacoemulsification, Tufts University School of Medicine, Continuing Medical Education, Bermuda, 6-92

Phototherapeutic keratectomy, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 9-92

Acute red eye, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 10-92

Ocular allergy, Boston University School of Medicine, Greater Boston Ophthalmology Residents Basic and Clinical Science Course, Boston, MA, 10-92

Practical approach to management of ocular inflammatory disorders, Connecticut Society of Eye Physicians, Burlington, CT, 10-92

Update on ocular anti-inflammatory therapy, Connecticut Society of Eye Physicians, Burlington, CT, 10-92

Vitreotomy course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 10-92

Cicatrizing conjunctivitis: differential diagnosis, New England Ophthalmological Society, Boston, MA, 10-92

Ocular cicatricial pemphigoid, corneal infiltrates, American Academy of Ophthalmology Annual Meeting, Dallas, TX, 11-92

Ocular allergy: therapeutics, American College of Allergy and Immunology Annual Meeting, Chicago, IL, 11-92

Conjunctival antigen challenge, Symposium on Provocative Challenge, Ft. Lauderdale, FL, 1-93

Ocular allergy, Seminars in Allergy, Boston, MA, 1-93

High-risk keratoplasty, Phototherapeutic keratectomy with the Summit laser, Basic anatomy and physiology of the eye, Diseases of the cornea, Innovations in Clinical Ophthalmology, Maui, HI, 1-93

Ocular allergy, Buffalo Ophthalmological Society, Buffalo, NY, 3-93

Ocular allergy, American Academy of Allergy and Immunology, Annual Meeting, Chicago, IL, 3-93

Diagnosis and therapy of ocular allergy, Brooklyn Ophthalmological Society, Brooklyn, NY, 3-93

Phototherapeutic keratectomy (PTK), Refractive Surgery Course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 3-93

Ocular immunology: concepts for clinical practice, Intensive Review of Ophthalmology, Harvard Medical School, Boston, MA, 3-93

Diagnosis and management of ocular allergy, Lahey Clinic, Burlington, MA, 4-93

Phototherapeutic keratectomy, Summit Technology Visionaries Seminar, Boston, MA, 4-93

Ocular allergy, Suffolk County Ophthalmology Group, Long Island, NY, 5-93

Acute red eye, Emergency course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 5-93

Ocular allergy, Dallas/Ft. Worth Ophthalmology Group, Dallas, TX, 6-93

Therapy of ocular inflammation, Los Angeles Ophthalmology Group, Los Angeles, CA, 6-93

Therapy of ocular inflammation, Allegheny County Medical Society, Pittsburgh, PA, 7-93

Immunology of Type I hypersensitivity reactions, Pan American Association of Ophthalmology, Annual Congress, Caracas, Venezuela, 7-93

Ocular inflammation, New England Ophthalmological Society, Course moderator, Boston, MA, 9-93

Phototherapeutic keratectomy, Refractive Surgery Course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 9-93

Immunopathology of ocular diseases related to rheumatic diseases: anterior segment, Workshop on the Immunology of the Joint and the Eye, University Eye Clinic, Tubingen, Germany, Workshop moderator, 10-93

Phototherapeutic keratectomy, Laser course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 10-93

Medical and surgical management of corneal and external diseases, Hospital Juarez de Mexico, Visiting Professor, Mexico City, Mexico, 10-93

Management of corneal infiltrates, Cornea Colloquium, Mexican Society of Ophthalmology and the Mexican Corneal Center, Mexico City, Mexico, 10-93

Management of uveitis and immune mediated diseases of the eye, Primary Care Physicians' Course, Tufts University School of Medicine, Continuing Medical Education, Boston, MA, 11-93

Management of corneal infiltrates and ocular cicatricial pemphigoid, American Academy of Ophthalmology Annual Meeting Instruction Course, Chicago, IL, 11-93

Intraocular lenses in patients with uveitis, New England Ophthalmological Society, Boston, MA, 12-93

Ocular allergy, Illinois Eye and Ear Infirmary Grand Rounds, Chicago, IL, 12-93

Excimer photorefractive keratectomy versus radial keratotomy, Refractive Surgery Course, Tufts University School of Medicine, Boston, MA, 1-94

Management of inflammation after cataract surgery, Phototherapeutic keratectomy, Tufts University School of Medicine, Continuing Medical Education Course, Maui, HI, 1-94

Practical use of dapsone for ocular inflammation, Aspen Corneal Society, Aspen CO, 2-94

Wegener's granulomatosis of the orbit, Massachusetts General Hospital Clinicopathologic Conference, Boston, MA, 3-94

Acute red eye, Ocular Emergencies Course, Tufts University School of Medicine, Continuing Medical Education Course, Boston, MA, 3-94

Immune-mediated eye disease, U Massachusetts Medical Center, Department of Rheumatology Grand Rounds, Worcester, MA, 4-94

Treatment of post-operative inflammation, New England Ophthalmological Society Meeting, Boston, MA, 4-94

Ocular allergies, Washington, DC Ophthalmological Society, Washington, DC, 4-94

Ocular allergies, Wilmington Ophthalmological Society, Wilmington, DE, 4-94

Sympathetic ophthalmia, National Eye Trauma Symposium, Boston, MA, 5-94

Allergy: current concepts and therapy, University of California, Los Angeles, Department of Ophthalmology Grand Rounds, Los Angeles, CA, 5-94

Nantucket Cornea, Course Director, Nantucket, MA, 8-94

Current concepts in ocular allergy, University of Iowa, Department of Ophthalmology Grand Rounds, Iowa City, Iowa, 9-94

Ocular cicatricial pemphigoid, Workshop on Autoimmunity, Co-Director, Ettal, Germany, 10-94

Clinical trials of cyclooxygenase inhibitors and antihistamines, Workshop on Immunotherapy and immunomodulation of eye diseases (experimental or clinical), JERMOV, Montepelier, France, 10-94

- Ocular inflammation, Visiting Professor, Penn State College of Medicine, Hershey, PA, 10-94
- Phototherapeutic keratectomy, American Academy of Ophthalmology Annual Meeting, San Francisco, CA, 11-94
- IOL exchange, New England Ophthalmological Society, Boston, MA, 12-94
- Ocular allergy, Central South Carolina Ophthalmology Society, Columbia, SC, 1-95
- Complications of phototherapeutic keratectomy, Aspen Corneal Society Meeting, Aspen, CO, 2-95
- Complications of phototherapeutic keratectomy, ASCRS Annual Meeting, San Diego, CA, 3-95
- Prolonged inflammation after cataract surgery, Anterior segment complications associated with intraocular lenses. 1995 Complications of Cataract Surgery Conference, University of Tennessee Graduate School of Medicine, Knoxville, TN, 4-95
- Practical management of corneal infiltrates, Therapeutic use of the excimer laser, Pearls of Ocular Therapy, Scripps Clinic and Research Foundation, La Jolla, CA, 5-95
- Diagnosing eye allergies, Therapy of ocular allergy, Florida Allergy and Immunology Society Annual Meeting, Tampa, FL, 6-95
- Phototherapeutic keratectomy, Tufts University School of Medicine Continuing Medicine Education Course, Course Director, Boston, MA, 6-95
- Photorefractive keratectomy, Phototherapeutic keratectomy. Corneal immunologic disease, New concepts in ocular allergy. Centro Mexicano de Cornea Annual Meeting, Puerto Vallarta, Mexico, 7-95
- Nantucket Cornea, Course Director, Nantucket, MA, 8-95
- Ocular inflammation, Omaha Ophthalmological Society, Omaha, NE, 9-95
- Update on Ocular Infections, Tufts University School of Medicine, Continuing Medical Education Course, Course Director, Boston, MA, 9-95
- Ocular Surface, Moderator, JERMOV, Montepelier, France, 10-95
- Excimer laser wet lab, Instructional Course, American Academy of Ophthalmology Annual Meeting, Atlanta, GA, 11-95
- Immunologic diseases of the eye, Instructional Course, Joint Commission of Allied Health Professionals Organization, Atlanta, GA, 11-95
- Excimer laser: current experience in the United States, Utsunomiya, Japan, 11-95
- Systemic immunosuppressive therapy of external ocular disease, Kyoto Prefectural University of Medicine, Kyoto, Japan, 11-95

Laser safety, Regulatory labeling for PRK, Photorefractive Keratectomy, Tufts University School of Medicine, Continuing Medical Education Course, Boston, MA, 11-95

Update on ocular allergy, Dallas Academy of Ophthalmology, Dallas, TX, 12-95

Immunosuppressive therapy of external ocular disease, Visiting Professor, University of Texas Southwestern Medical Center at Dallas, TX, 12-95

Phototherapeutic keratectomy, Nassau Surgical Society Annual Clinic Day, Uniondale, NY, 12-95

OCP, Scleritis and peripheral ulcerative keratitis, Greater New York Ophthalmology Clinical Lecture Series, New York, NY, 12-95

Laboratory and clinical aspects of ocular allergy, Manhattan Eye, Ear, Nose and Throat Hospital Conference, New York, NY, 12-95

Ocular allergy, Lenox Hill Hospital Grand Rounds, New York, NY, 12-95

Laser safety, Regulatory labeling for PRK, PRK results, Photorefractive Keratectomy course, University of Cincinnati, OH, 12-95

Rheumatic diseases viewed through the ophthalmoscope, New England Rheumatism Society, Dedham, MA, 12-95

Treatment of cystoid macular edema, Post-operative inflammation, Moderator: Update on Drug Therapy, Tufts University School of Medicine, Continuing Medical Education Course, Maui, HI, 1-96

Ocular allergy: new therapy, New England Medical Center Division of Allergy, Boston, MA, 2-96

Allergen challenge: Ocular responses to cat dander, Aspen Cornea Society, Aspen, CO, 2-96

Photorefractive keratectomy, University of Connecticut, Hartford, CT, 3-96

Mast cells, Workshop on the Immunology of the Skin and Eye, Ettal, Germany, 3-96

Introduction to Phacoemulsification, SAMSO, Dhahran, Saudi Arabia, 4-96

Update on uveitis, Co-Moderator, New England Ophthalmological Society, Boston, MA, 4-96

Ocular responses to toxins: Subjective and Objective, Harrison Research Laboratory Colloquium, Union, NJ, 5-96

Ocular allergy, St. Barnabus Medical Center Quarterly Conference, Livingston, NJ, 5-96

Nantucket Cornea, Course Director, Nantucket, MA, 8-96

Scleritis and peripheral ulcerative keratitis, Update on ocular allergies, Ocular cicatricial pemphigoid, XII Brazilian and Pan American Congress on Prevention of Blindness, Sao Paulo, Brazil, 9-96

Diagnosis and treatment of ocular allergies, San Antonio Society of Ophthalmology, San Antonio, TX, 10-96

Scleritis, Visiting Professor, Department of Ophthalmology, University of Texas, San Antonio, TX, 10-96

Immunologic diseases of the eye, Instructional Course, Joint Commission of Allied Health Professionals Organization, Chicago, IL, 10-96

Inflammation and cataract surgery, Western Carolina Ophthalmological Society, Asheville, NC, 11-96

Scleritis, Which eye drops should be used after PRK?, Cleveland Ophthalmological Society, Cleveland, OH, 12-96

Optical coherence tomography of CME after cataract surgery, Solving ocular allergies, Acute red eye, Tufts University School of Medicine, Continuing Medical Education Course, Moderator, Maui, HI, 1-97

Scleritis after cataract surgery, Aspen Cornea Society, Aspen, CO, 2-97

Advanced Phacoemulsification, SAMSO, Dhahran, Saudi Arabia, 6-97

Ocular allergy, New England Ophthalmological Society, Boston, MA, 6-97

Ocular therapy update course, Tufts University School of Medicine Continuing Medical Education Course, Course Director, Boston, MA, 6-97

Nantucket Cornea, Course Director, Nantucket, MA, 8-97

Lyme disease, Allergic eye disease, New Jersey Academy of Ophthalmology Annual Scientific Meeting, Eatontown, NJ, 9-97

Mast cell biology, 20th Biennial Cornea Research Conference, Massachusetts Eye and Ear Infirmary, Harvard Medical School, Boston, MA, 9-97

Immunosuppressive therapy of ocular surface disease, American Academy of Ophthalmology Annual Meeting, San Francisco, CA, 10-97

Corneal transplantation: Special techniques for keratoconus, American Academy of Ophthalmology Annual Meeting instruction course, San Francisco, CA, 10-97

Corneal challenges, American Academy of Ophthalmology Annual Meeting instruction course, San Francisco, CA, 10-97

Practical management of allergy, Tufts University School of Medicine, Continuing Medical Education Course, Moderator, Maui, HI, 1-98

Update on the ocular allergic response, Aspen Cornea Society, Aspen, CO, 2-98

Prophylaxis of post-cataract cystoid macular edema, Current Concepts in Ophthalmology, Johns Hopkins School of Medicine, Continuing Medical Education Course, Vail, CO, 3-98

Therapy of macular edema, New England Ophthalmological Society, Boston, MA, 5-98

Retinal vasculitis, Herpes zoster ophthalmicus, Acute retinal necrosis, Management of cystoid macular edema, Immunosuppressive therapy in uveitis, Royal College lecturer, Atlantic Provinces Ophthalmological Society, Charlottetown, Prince Edward Island, 5-98

Nantucket Cornea, Course Director, Nantucket, MA, 8-98

Comprehensive Eye Update for the Latin American Practitioner, 13th Brazilian Congress of Blindness Prevention and Visual Rehabilitation, Rio, Brazil, 9-98

Pemphigoid, Scleritis, and Autoimmune Diseases, Greater New York Ophthalmology Clinical Lecture Series, Manhattan Eye, Ear & Throat Hospital, New York, NY, 9-98

Use of Steroids in External Disease, Corneal Infiltrates, Scleritis, Ocular Allergy, Edward Harkness Eye Institute Clinical Lecture Series, Columbia University, New York, NY, 10-98

International Allergy Workshop, Napa, CA, 11-98

Pathophysiology and Differential Diagnosis of Ocular Allergy, American College of Allergy, Asthma, and Immunology Annual Meeting, Philadelphia, PA, 11-98

Lyme Disease and the Eye, Rhode Island Hospital Grand Rounds, Brown University Medical School, Providence, RI, 12-98

Overview of Systemic Immunosuppressive Therapy, Aspen Corneal Society, Aspen, CO, 2-99

Update on the Ocular Allergic Response, Aspen Corneal Society, Aspen, CO, 2-99

Managing Ocular Allergies, Ocular Drug and Surgical Therapy Update, Laguna Niguel, CA, 3-99

Peripheral Ulcerative Keratitis, New England Ophthalmological Society, Boston, MA, 3-99

Practical Systemic Immunosuppressive Therapy for the Ophthalmologist and Therapy of Ocular Allergy. Current Concepts in Ophthalmology, Johns Hopkins School of Medicine, Continuing Medical Education Course, Vail, CO, 3-99

LASIK and the Hansatome, Refractive Surgery–The New Year, Cataract Surgery in Uveitis Patients,

Practical Management of Cicatrizing Conjunctivitis. 20th Annual Medical College of Virginia and

Virginia Commonwealth University Ophthalmology Conference, Williamsburg, VA, 4-99

Visiting Professor, University of Michigan, Kellogg Eye Center, 6-99

Refractive Thermokeratoplasty and Radio Frequency Correction of Hyperopia, American Academy of Ophthalmology, Annual Refractive Surgery Course, Orlando, FL, 10-99

Update on Cornea and External Disease, Instruction Course, American Academy of Ophthalmology Annual Meeting, Orlando, FL 10-99

Conjunctival Challenge, American College of Allergy, Asthma and Immunology, Chicago, IL 11-99

Corneal Surgery Instruction Course, Dhahran, Saudi Arabia, 11-99

LASIK Surgery, Newton-Wellesley Hospital, Surgical Grand Rounds, Newton, MA 1-00

Diagnosis and Treatment of Posterior Uveitis, Practical Immunosuppressive Therapy for the Ophthalmologist, Hawaii 2000 Physician's Program, Maui, HI 1-00

Risks and Benefits of Routine Topical Non-steroidal Therapy after Cataract Surgery, Aspen Corneal Society, Aspen, CO, 2-00

Laser Vision Correction Panel, SG Cowen Healthcare Conference, Boston, MA 3-00

Appropriate Topical Steroid and Non-steroidal Therapy for Cataract Surgery, New England Ophthalmological Society Meeting, Boston, MA 3-00

Refractive Surgery Roundtable and Use of Non-steroidal Drops after Cataract Surgery, Wilmer Current Concepts in Ophthalmology Meeting, Johns Hopkins School of Medicine, Continuing Medical Education Course, Vail, CO, 3-00

Pharmacology of Cataract and Refractive Surgery, Instruction Course, American Society of Cataract and Refractive Surgery, Annual Meeting, Boston, MA 5-00

Ocular Disease, Brigham & Womens Hospital, Introductory Course, Allergy and Immunology, Boston, MA 7-00

Nantucket Cornea, Course Director, Nantucket, MA 7-00 (yearly)
